The Central Oregon Amateur returns for the 52nd playing of the event after taking a seven year hiatus. A new twist to the Central Oregon Amateur from years past is the implementation of a senior division. So we will have Open and Senior Divisions with flights in each division if warranted based upon the number of entrants.

In addition to the Central Oregon Amateur, we will name a champion that is a Redmond city resident, "The Champion of Redmond". The low gross score from a Redmond resident will be the named champion.

Enter today as we bring back one of Central Oregon's long time championship events. Three rounds on one of Central Oregon's "must play" golf courses at \$150 is a bargain especially when you throw in two lunches, a tee prize and the prize purse. See you on August 27!
